# 35-24-34-26=Lots Of Years

*If anyone at YHS has really done it all, it has to be Warren Conrad, who is retiring after 34 years as a teacher, assistant principal, sports announcer, and for the last 12 years the director of the counseling staff. He has taught English, speech, civics, free enterprise, and drama and was the student council advisor. He says that working with kids was the greatest thing that ever happened to him.*

*Bob Walters has been with the Yuma High School District for 24 years. This year he is retiring to go back to school in San Diego to get his A&P licence. In two years, he plans to return to open his own shop. He has enjoyed his years at YHS, but feels that with his family grown, it is time for a change. Walters has been a teacher, Athletic Director, and administrative assistant in charge of student discipline and security.*

*For 26 years, Clifford Bryan has taught and coached at Yuma High. In the past he has coached football, baseball, basketball, and cross country. As a teacher he has taught physiology and physical education. After leaving YHS, he plans to pursue his favorite pasttimes: golfing, hiking, and traveling. He says that he has enjoyed his years at YHS and watching two generations of students grow.*

*Bob Kelly has been with Yuma High for 35 years, the last six of which he has spent as Audiovisual director of the district. In the past he has taught math and P.E., coached varsity baseball, golf, JV basketball, and was athletic director for a year. He has received some job offers, but is unsure if he will accept any of them. He plans to spend his time playing golf and repairing his home.*

# "This Ones For All Of You!"

"This ones for you!" was this years homecoming theme. The week held many activities such as daily contests between the candidates, the traditional pep rally on the library lawn, and the game on Friday night. Yuma fell from victory to the Mesa Jackrabbits.

Many dedicated students worked on their floats to produce the works of "this ones for you." The sophomore class of '85 swepted the victory for the float competition.

At half time it was announced that the King and Queen for 1982-83 was Robert McFadden and Lali DeLaPena. Congratulations to both of you.

Hayward McFadden returned to ride on the senior float

Attendance for the Junior class were Marcos Jones and Suzanna Orduno.

The winning float at Homecoming was the Sophomore class. Attendants were Junior Atherton and Ani Injeian.

Freshman float was attended by Chris Olsen and Sylvia Ibarra.

# Robert And Lali For Royalty

Half time at the Yuma Homecoming game was an exciting moment for the ten finalist for the Yuma royalty. The time came and they announced that Robert McFadden and Lali De La Pena would be crowned for the year 1982-83 Roberts brother, Hayward McFadden returned to Yuma High to present the crown for the Yuma King. Robert presented the crown to Lali for the Queen. It was also announced that the class of 1985 won the float competition. All classes worked hard to produce the float that they thought would be the winning float. It was a close win for the sophomore class with the other floats looking their best.

The Homecoming pep rally was held over on the Yuma County library lawn. The band marched through out the school and lead the parade of students and faculty over to the library. The Chola's performed for the student body and spirits were raised for the big game to be held in a couple of hours. The annual FFA BBQ was held before the game then the Yuma Football team went on to play Mesa and were defeated. The Homecoming dance followed the game.

Lali smiled for Joy after half time. Holding her flowers and Roberts crown so the game could get on to the second half.

Top five boys on their way to the library for the pep rally.

Wanda Jennings takes a rest at the game. She is the Yuma High criminal at all games.

Stephanie Lee takes a quick look to see how the team is doing.

*Beth Shadle gives her congratulations to Lali*

*The crowd waits for the half time show to begin*

*Coach Roper discusses the next play with the offense team.*

*"Not today!" Craig Reed thinks as a Mesa player tries to take him down.*

# Yuma-Kofa Week Held Excitement

*Marla Martin, Olivia King, and Diane Budd helped lead the cheers.*

*Donna Hernandez, Phyllis Clarck, and Cherry Derrick came as Punks.*

*Rosie Urias and Misy Ponce wrestled in jello.*

*Marla Martin showed real enthusiasm.*

*Pat Smith participated in the half time activities.*

*All our Crim fans showed lots of spirit.*

*Harry Balley looks for the handoff to David Campbell.*

Yuma High's Yuma-Kofa Week was really an awesome sight this year. The week got started with Monday being Punk-Rocker Day. Tuesday was Hat N Boot Day. Dress down Kofa Day was Wednesday. Thursday we had no school, but Friday people still continued the spirit by dressing in Blue and White Friday we also held a Pep Rally. Some of the events in it were: the First Jello Wrestling Match, also our Crim Football Team carried the traditional dead King in his coffin. Although we did lose the game, our Spirit was Terrific.

*"Before every game we prayed to play our best."*

*Our Yuma Crims in action.*

*Craig Reed finally went down.*

*Lucky Arviso, Tim Quintero, shaking hands after the game.*

# We Show All Our Spirit For YHS

*This year the cheerleaders really enjoyed their one-week stay at the UCSD Campus in La Jolla, California. While they were there they won the superior trophy, three superior ribbons, two spirit sticks, three clean room awards, and a Decoration award.*

*The U.S.A. cheerleaders taught them performance cheers, sideline cheers and chants. They really learned alot. The cheerleaders have become very close with each other and with other squads. After all their work was completed, they went down to the beach and had a blast.*

*This year the cheerleaders are ready and willing to cheer our YHS Criminals to victory.*

# Thermo Rises Through Another Year

The Thermometer is the official Yuma High newspaper. The Thermometer was once again sponsored by Neil Johnson, who returned after not sponsoring last year. His goal for this year was to sit behind his desk and do nothing, letting his students do all the work.

The motto of the Thermo is "Always Rising-Never Falling". This year's staff kept up the Thermo tradition, filling each edition with timely news, interesting features, thought-provoking editorials, and lively sports features.

Staff Photographers Barbra Solis, Tom Nead, and Ceci Torres

Staff Writers Debbie Heaton, Dianna Manley, Stefanie Hartley, Monique Pauley, and Jackie Ozuna

The first step in producing the Thermometer is, of course, gathering the information to write the stories that will go into the paper. Editors and staff writers write the stories, which are then sent to the printers, where they are printed onto long strips of paper in columns. These strips are sent back to the editors, who cut the separate stories out and position them onto a large page exactly as they will go into each copy. These large pages are then sent back to the printers, who publishes 2,100 copies to be distributed at Yuma High.

A writer using the name "Ford Prefect" contributed several humorous article to the Thermo editors, causing some confusion as to his identity. Ford Prefect turned out to be news editor Tim Chong.

# Working Hard For A Winning Team

*Do you want this ball or what?*

*Clank-bang-Clank-bang bang of the weights and sweat is something that the 1982 Yuma high football team experienced this past summer at Camp Pendleton in Oceanside, California.*

*Any other year the football team has held their camp at school. This year they went to the Marine base, working hard lifting weights, running in hopes of winning season.*

*Yuma won the first game with Robert McFadden's fake punt. The second game was a greatful win. The outlook of the season was a positive one, but after losing to South Mountain and Chandler, the team never recovered.*

*To the seniors that will be graduating, it was a hard year, to the sophomore and juniors coming up, GOOD LUCK!*

*Highlighting their season was their victory over Kofa which set a "high" in all the players' minds for a winning season next year on varsity.*

# Team Work Can Become Rewarding

The Yuma High Freshmen Football team had a great year with five wins and two loses. Their hard work and practices proved them to be winners in every thing they did.

Head coach Stewart Roper and his assistants, Michael, Rosnack, Robert Pettit, Dick Gresham, and Peter Hernandez helped to keep them on their toes during the season.

# Varsity Volleyball Is Awesome!

Yuma High's 1983 varsity volleyball team had a very good season. This year they were defeated in three games of the season. But these few losses did not prevent this "interstate" team from going to divisionals and state in which they placed second. The record of the conference season was (9-3) and their overall record was (12-5).

A banquet was held in honor of these players on November 30 in the cafeteria. All players received recognition for their "awesome" SKILLS, but as usual "seniority rules" so we will recognize those who have left a mark on Yuma High's athletic records.

The seniors are as follows: Maurine Evans received an award for Most Valuable Player, she is well known for her easy going and spunky attitude, but also for her kills, spikes and accurate serving on the court. Beth Shadle also received an award, and this was for Most Inspirational and was considered a very special award, because she was injured. But when team practices took place Beth was there to lend a helping hand, give a few pointers or just listen.

Another "Awesome" Crim is Traci Mattox, her front row skills also showed off her serving and spiking. Last but not least of the seniors is Beth Peterson, she was the best of server on the team. Which means most of her serves were right where she wanted them to go.

The 1982 Junior Varsity Volleyball team had what one might call, a very balanced season. Their conference record consisted of six wins and six losses. The players realized that their ability to work together as a team, was essential if they were to have a victorious season.

The squad practiced not only after school, but before school as well. Morning practices got underway at 6:45. Those who were late ran an additional fifteen laps around the gym. The J.V.'s were the only team to practice twice daily.

They suffered a very disappointing loss to Kofa, however, they wound up their long and hard season with a win!

An awards banquet to honor the Freshmen, J.V. and Varsity was held November 30, at 6:00, in the cafeteria. Some of the awards were voted on by the team members. Some were given based on statistics. The Junior Varsity team results were as follows: the most improved award went to Thomasina Montana. Alma Guzman received the Sparkplug award for being the team leader on and off of the court. Olivia James received the most points served award, with a total of fifty-five points. The recipient of the best and most consistent net player award was Sherry Graham. And the best back row player award went to Karen Nickerson.

# Freshmen Learn The Basics Well

Dawna Bradford (53) and Rendy Praeger get ready to receive lone Redding's bump.

Team members on and off of the court watch in anticipation, to see where Rendy Praeger's set will go.

*So Awesome!*

A team with alot to smile about, members included: Dawna Bradford, Anna Contreras, Rebecca Erling, Isabelle Figueroa, Christine Garcia, Dana Howry, Sylvia Ibarra, Rethema Jagow, Carol Koenig, Amy McDermott, Rendy Praeger, Susan Provenzano, lone Redding and Coach Logan

This years Freshmen Volleyball team did an outstanding job! Their season record was better than either the Varsity's or the J.V.'s record. They were virtually undefeated except for a marginable loss to San Pasquel's Junior Varsity team. The team was coached by Peggy Logan, and as a result of everyone working together, they had a most successful season. Almost everyone on the team showed exceptional ability in their serving skills.

The Freshmen team helped the J.V. and the Varsity sell programs at all of this years home varsity football games.

The results of this years awards banquet were as follows: Team Captain-Sylvia Ibarra, Most Improved-Anna Contreras, Most Valuable-Rendy Praeger.

# Tankers Own AAA Division Crown

The gal swimmers were most successful this year, taking the Central Division title and going on to finish in the number two spot in the State.

Coach Seaquist had lots of praise for the team. "They really work hard," he said many times during their undefeated dual-meet season. Much of the credit also goes to Coach Seaquist.

Outstanding individual performances were turned in by Tanya Howe, Christi Wunderlich, Tracy Elias, Lauri Gauna and Jill Holland.

The gal swimmers and divers overpowered all commers when divisionals were held in Yuma in October.

# Yuma Cagers Show-Improvement

*This year's varsity basketball team had a new coach, Roger Thomas, a former college basketball coach from Iowa. Coach Thomas was assisted by Duane Evans, a former student from Yuma High School.*

*The Crims were a much improved team over a year ago. All aspects of the team's play showed signs of good things to come for basketball here at Yuma High. Seven seniors were part of the 1st non-losing season in several years at Yuma High. The 11-11 season record included a 4-8 record in the Central Division. The Crims received a 3rd place finish in the El Centro Christmas Tourney.*

With only four seniors on this year's team (Gary Cousins, Eddie Macias, Fransico Macias and Roberto Pazos) the outlook for the team next year is excellent.

The team had three grapplers who qualified for state. They are Alberto Biebrich, Eddie Macias and Craig Reed.

Wrestling is a sport of skill and endurance. It requires nothing but concentration and wrestling techniques.

Wrestling is also challenging because you are the only one down on the mat besides your opponent. You have three two-minute periods in a match.

Hector Zaragoza and Pat Bauerle were two outstanding wrestlers this year, who were undefeated throughout the season.

Our soccer team this year has done a gret job. The team consisted of 22 players. They come from the freshman to senior classes.

We only have a varsity team this year. Soccer is not a very well known sport, but it is becoming better known. The team has a great sportsman-ship attitude. You have to co-operate between each team member and be at the right place at the right time to score.

You can tell our team has sportsmanship and that they worked together by their team winnings, 4 wins out of 9 games!

# Vica Is At It Again

The shield represents patriotism. The torch represents knowledge. The orbital circles represent technology. The gears represent the industrial society. The hands represent youth. Red and white represent the individual states and clubs. Blue represents the common union of the states and clubs. Gold represents the individual, the most important element of the organization.

VICA is an organization that believes in the growth and total development of the vocational student. VICA works to assist a student in career development by having Skill Olympics, community service projects and professional training. Some of VICA's purposes are to develop leadership, create enthusiasm for learning and provide high standards in trade ethics, workmanship, scholarship and safety. Together these purposes give direction for the success of each individual. "Preparing for leadership in the world of work."

Mr. Lou Melkowski is the coordinator. He also teaches the class I.C.E. which is related to on-the-job training. In this class the students learn about attitudes, money handling and achieving all goals. This year some of the VICA members attended the Fall Conference in Tucson where Lauri Hernandez became Regional Vice-President.

# You've Done Well, Dr. Slinker

*This year we have a new principal, Dr. Richard Slinker. He spent 33 years in New Mexico before he and his wife moved to Arizona to make new friends here. They chose Yuma because they didn't want to leave the Southwest. Dr. Slinker is quite pleased with the behavior of the students and would like to get better acquainted with them.*

*The main goal he would like to see the students achieve is to be able to do something in life for themselves, not for anybody else. He would also like to have each individual recognize how important they are in life. Dr. Slinker has great faith in people, and we have faith in him!*

*Dr. Richard Slinker*

*Mrs. Gard, Dr. Slinker's secretary, has done a great job of helping him with appointments and office duties.*

# Vice Principal And Registrar

Mr. Leonard

Mr. Leonard is in charge of feeding information into the computers. He had a little trouble getting prepared, but with a few adjustments everything started running smoothly. Mr. Leonard is very busy trying to keep up to all of his work. He keeps all the records of the students stored in the memory banks of the computer.

Mrs. White is a very helpful person. She and Mr. Leonard work together in working with the computer.

Mrs. Elsie Steen and Mrs. Carol Nolan are the secretaries. They do a great job assisting Mr. Walters and Ms. Bruno.

# New Computer Comes In Handy

*Mrs. White sits at our new computer.*

## A NEW CONCEPT IN OFFICE SYSTEMS

*Career Guidance counselor is Mrs. Weston.*

Mrs. White is the one lady who is most familiar with our new computer. It keeps records of all the students, their grades, class schedules, and just about every other thing that used to take a while to do, but now only in a few seconds.

Mrs. Sonoqui is also one of the staff who can operate the computer, too. Together she and Mrs. White got the new "student" broken in pretty well!

# Counselors Are Here To Help

*Mrs. Nettie Anderson*

*Mrs. Maggie Cabrera*

*Mr. Alan Eddy*

*Mrs. Betty Dunn*

*Our very helpful group!*

The counselors at Yuma High are always helping with school and personal problems, such as a schedule change or about the future plans. The counselors are Alan Eddy, Maggie Cabrera, Warren Conrad, (director) Nettie Anderson, and their helpful secretary Betty Dunn. Mrs. Dunn helps the counselors and students by making appointments and writing out passes.

*Mr. Warren Conrad*

Mr. Warren Conrad is our head counselor, and after 34 great years at Yuma High he is going to retire, playing golf and just enjoying life. When Mr. Conrad first came to Yuma High, he was an English and speech teacher, and the drama director. In 1960, he served as a counselor, and in 1964, he served as a teacher and a guidance counselor. In 1965, he became a full-time counselor. For two years Mr. Conrad was assistant principal and a disciplinarian for one year.

While at Yuma High, Mr. Conrad has thoroughly enjoyed watching kids grow and develop scholastically. If asked for final words from him, he would answer, "There are so many good things to say, it would take weeks!"

# We Make Learning Easier For You.

## BOOKSTORE

The Yuma High Bookstore carries all of the needed supplies for those students attending Yuma High. The busiest time for the bookstore is at the beginning of the new school year and at the end of the year. They get your books ready at the beginning of the year and buy them back at the end of the year. Mrs. Bradford is the student accounts bookkeeper. Mrs. Talamantez works in the bookstore during school hours and is the manager. We should be very proud of their work they do for us.

# Cafeteria Staff Is "Cookin!"

The cafeteria staff at Yuma High works very hard ordering and preparing meals for the students and faculty. They start working before sunrise, cooking and doing the menu planning and they don't finish until lunch is over. Then they start their cleanup. Those women work extra hard to give us a good lunch. Next time you cook, try this recipe:

## Brownies

16 # butter  
40 cups sugar  
2 cups dry eggs  
24 cups sugar  
7 lbs Wonderfood Chocolate  
48 cups flour  
2 2/3 cups vanilla  
2 teaspoons salt

This is what Mrs. Kelly needs to produce 400 brownies

*Security plays a very important part, here on our campus of Yuma High. These people are always on the job, keeping things in line. They always make sure that nothing gets out of control. This years security staff consisted of Barbara Sullivan, Evelyn Shipley, and Ron Vogt.*

# Bus Drivers Keep Us On The Go

The Yuma High bus drivers have the task of taking us to and from school. They have a very strict sort of attitude of keeping the students in line while on the bus and also of keeping the noise down to a dull roar for reasons of having their eardrums blown out. We never really recognize them, but they're really important and they do a very excellent job! Thanks ya'll!
